A watercolor illustration of a woman's face, looking directly at the viewer. She has dark, wavy hair and light-colored eyes. Her lips are painted with a vibrant pink color. In the bottom right corner, a pink bird, possibly a cardinal, is partially visible. The background is a soft, light purple. The text "Diseños" is in a simple black font, followed by a heart icon with radiating lines. Below this, the word "EXCLUSIVOS" is written in a large, elegant, black script font.
